Tongue Twisters

A sentence or series of words that is hard to say correctly is called a tongue twister in English.

Children love tongue twisters and challenge their friends to try to say them fast several times in row.

For English learners, tongue twisters are a fun way to work on one or two sounds at a time to get the pronunciation just right.

Start by saying the tongue twister slowly, then try to speed up.

Once you can say a tongue twister through, try to say it twice or three times in a row for a bigger challenge.

Tongue twister	Sounds/words emphasized	Difficulty (for a native speaker)
